It was felt that to curb these tendencies the youth required to be motivated in nation-building activities and made responsive to the social concerns. For this purpose, National Service Scheme (NSS) was introduced in 1969. Its main aim was to involve the students of the colleges and +2 level on a voluntary and selective basis in programmes of social services and developmental activities. Under this scheme, rural and slum reconstruction, repair of roads, school buildings, ponds, tanks, plantation of trees, environment protection, health and family planning and education of adults and women are undertaken. The NSS students aid local authorities in implementing various relief and rehabilitation schemes. In the times of natural calamities like famines, floods, droughts, epidemics and earthquakes volunteers helped by NSS students play a very positive and constructive role. The tribal youth are given vocational training under a special scheme to enable them to become self-employed.
