Rajesh : But you didn't inform us.

Mahesh : Yes, my friend from US came and asked us to join him on tour. So we couldn't inform you.

Rajesh : It's OK. I'm sure you all had very good time together.

Mahesh : Yes, really it was very nice trip.

(2) Read the following passage and answer to the questions given below :

The children are always notorious. They cannot sit in corner and do work silently. They love to cheer up every moments they live. Whenever they see their parents or grandparents, they shout and run here and there and they show whatever they have. Sometimes parents think what a ridiculous things they do in front of guests. It may be wrong thinking because the child never hides its emotions.

The child is always playing and learning what it is to learn. The child always expresses itself freely in very intimate environment. It stops talking in presence of stranger or anyone whom it has no attachment. It finds peace and comfort in lap of mother or grandmother. The mother and grandmother always favours child; they always think of it and keeps it away from all dangers. The father or grandfather provides all amenities that child seeks.

Now-a-days we find drastic difference in upbringing children of different social strata but parents and grandparents are alike. They perform their duties and play vital role in development of their children. The roles of parents and grandparents are alike across the social strata.
