

Fourth Year B.H.M.S. Examination  
Practice of Medicine Paper-I

Date : 21-01-2019, Monday]

[Max. Marks : 100

[Time : 3 Hours

- Instructions :** (1) Answer to the point.  
(2) Figure to the right indicates marks.  
(3) Draw diagrams wherever necessary.  
(4) Write legibly.  
(5) Use separate answer books for each section.

**SECTION: 1**

- Q.1** Define Pulmonary Tuberculosis. Write down Etio-pathogenesis, clinical features complications & Management of Pulmonary Tuberculosis. (15)  
OR
- Q.1** How will you Diagnose a case of Dyspnoea and write Etio-pathogenesis complications & Management of COPD.
- Q.2** Define and classify Pancreatitis. Write down Etio-pathogenesis, clinical features complications & Management of Acute Haemorrhagic Pancreatitis. (15)  
OR
- Q.2** How will you Diagnose a case of Gastric Carcinomas, Write pathophysiology, complications and Management of Gastric Carcinoma.
- Q.3 Short Notes (Write any three) (15)**
- Thrombocytopenic Purpura.
  - State the difference between Restrictive & Obstructive Pulmonary diseases.
  - Kwashiorkor.
  - Vit. A Deficiency.
  - Approch to Ascites
- Q.4 Answer in short. (5)**
- One Diagnosis from abnormal shape of chest
  - Causes of Bronchial Breathing.
  - Fat soluble Vitamins.
  - One sign of Acute Pancreatitis.
  - Indications of Pulmonary Function Test

**SECTION-2**

- Q.5.** How will you Diagnose case of Dengue Fever? Write down its Etio-pathogenesis, Clinical features, complications & management. (15)  
OR
- Q.5.** Define Chikungunya. Write down its Etio-pathogenesis, clinical features, complication, Ix and Management.
- Q.6.** Define Myxoedema. Write down its Etio-pathogenesis, clinical features, complication and Management. (15)  
OR
- Q.6.** Define & Classify Diabetes Mellitus. Write down etio-pathogenesis, clinical features, complication & management of Diabetic Ketoacidosis.
- Q.7. Short Notes (Write any Three) (15)**
- Mongolism
  - MMR Vaccination.
  - Hypoglycemic coma.
  - Addisonian crisis
  - Non-pitting oedema.
- Q.8 Answer in short. (5)**
- Criteria of obesity
  - Diagnosis from value of T3 T4 & TSH.
  - Smiling Umbilicus is Dx sign of \_\_\_\_\_ ?
  - 3 Clinical signs of first week of Typhoid fever.
  - Causes of Malena.

## Fourth Year B.H.M.S. Examination

## Medicine

## Paper-II

[Max. Marks : 100]

Date : 22-01-2019, Tuesday]

[Time : 3 Hours

- Instructions :** (1) Answer to the point.  
 (2) Figure to the right indicates marks.  
 (3) Draw diagrams wherever necessary.  
 (4) Write legibly.  
 (5) Use separate answer books for each section.

## SECTION-1

- Q.1 Write down definition, etiology, pathogenesis, Diagnostic clinical features, investigation and management of Mitral stenosis. (15)
- OR
- Q.1 Define Fallot's Tetralogy. Write down pathophysiology, clinical features, complication and management of Fallot's Tetralogy.
- Q.2 Define & Classify Thalassemia. Write down Etio-pathogenesis, diagnostic clinical features, investigation and management of Thalassemia. (15)
- OR
- Q.2 Write down definition, Etio-pathogenesis, diagnostic clinical features, investigation and management of Amoebic Liver Abscess. (15)
- Q.3 **Short Notes (Write any Three)**
- |      |                            |     |   |
|------|----------------------------|-----|---|
| i    | Classification of Anaemia. | iv. | Diagnosis of Acute MI.                        |
| ii   | Pulse Oximeter             | v.  | Diagnostic criteria of Acute Rheumatic fever. |
| iii. | Causes of Hepatomegaly     |     |   |
- Q.4 **Answer in short.** (5)
- |      |                                    |
|------|------------------------------------|
| i.   | Thrill.                            |
| ii.  | Diagnosis from Gallop Rhythm.      |
| iii. | Types of Jaundice..                |
| iv.  | Dx from abnormal P wave in EGG.    |
| v.   | Two causes of Oesophageal Varices. |

## SECTION-2

- Q.5. Define Eczema. Write down definition Etio-pathogenesis, clinical features, classification and management of Eczema. (15)
- OR
- Q.5. Define and state the difference between Epilepsy and Seizure. Write down causes, classification, investigation and management of Seizure.
- Q.6. Write down definition, Etio-pathogenesis, clinical features, complication & management of Nephrotic Syndrome. (15)
- OR
- Q.6. Write down definition, Etio-pathogenesis, clinical features, complication & management of Gout. (15)
- Q.7. **Short Notes (Write any Three)**
- |      |                   |    |                               |
|------|-------------------|----|-------------------------------|
| i    | Bell's Palsy.     | iv | Hypercalcemia.                |
| ii   | Depression.       | v. | Approach to Acute Joint Pain. |
| iii. | Anxiety Neurosis. |    |                               |
- Q.8. **Answer in short.** (5)
- |      |   |
|------|---|
| i.   | Diagnostic Criteria of Rheumatic fever. |
| ii.  | Two causes of Acute Renal Failure.      |
| iii. | Dx of Psoriasis.                        |
| iv.  | Treatment of Neonatal Jaundice.         |
| v.   | Root value of planter Reflex.           |

**Fourth Year B.H.M.S. Examination  
Medicine Paper-III (Therapeutic)**

Date : 23-01-2019, Wednesday]

[Max. Marks : 100

[Time : 3 Hours

- Instructions :** (1) Answer to the point.  
 (2) Figure to the right indicates marks.  
 (3) Draw diagrams wherever necessary.  
 (4) Write legibly.  
 (5) Use separate answer books for each section.

**SECTION-1**

- Q.1** Give your understanding about Homoeopathic management of Pneumonia and Give indication of following. (Any Three) (15)  
 a) Bryonia                      b) Lycopodium                      c) Kali.Carb                      d) Sulphur
- OR**
- Q.1** Define Plague. Give indication of following remedy for Plague (Any Three)  
 a) Baptisia                      b) HeparSulph                      c) Lachesis                      d) Merc.Sol.
- Q.2** Give indication of following remedies for Heart Affection in Detail. (Any Three) (15)  
 a) Cactus G                      b) Digitalis                      c) Kalmia                      d).Cratagus
- OR**
- Q.2** Describe the role of Homoeopathic in management of Irritable Bowel Syndrome. Write indication of following remedies for it. (Any Three)  
 a) Arg.Nit.                      b) Aloes                      c) Colchicum                      d) Mag.Carb.
- Q.3** **Short Notes (Write any Three)** (15)
- |   |  |
|---|--|
| <p><b>I</b> Mumps – Pulsatilla &amp; Bromium.</p> <p><b>ii</b> Jaundice –CardusM and Phosphurus</p> <p><b>iii.</b> Depression – Aurum Met and Plumbum Met</p> | <p><b>iv.</b> Urinary affection – Terebinthina &amp; Sarsaparilla</p> <p><b>v.</b> Herpes Zoster – Mezerium &amp; Ranunculus Bub</p> |
|---|--|
- Q.4** **Write an Indicated Remedy only.** (5)
- i. Child very restless, cries and picks his nose and is very unnameable.
  - ii. Dyspnoea Battered by Rapid Motion.
  - iii. Goitre Causing Dyspnoea.
  - iv. Fatty Degeneration of Pancreas.
  - v. Ascites with Scanty High Coloured Urine.

**SECTION-2**

- Q.5.** Give your understanding about Homoeopathic management of Arthritis and Give indication of following remedies for it. (Any Three) (15)  
 a) Benzoic-Acid.                      b) Rhododron                      c) Phytolacca.                      d) Sabina
- OR**
- Q.5.** Write in detail homeopathic management of Cirrhosis of Liver. Give indication of following remedies for it. (Any Three)  
 a) Phosphrus                      b) Chionanthus                      c) Cardus Marians                      d) Urea
- Q.6.** Give indication of following remedies for Paralysis in detail. (Any Three) (15)  
 a) Gelsemium                      b) Zinc Met                      c) Cocculus indicus.                      d) Causticum
- Q.6.** Define Goiter. Give indication of following remedies for Thyroid Affection. (Any Three)  
 a) Spongia                      b) Bromium                      c) Iodum                      d) Nat.Mur.
- OR**
- Q.7.** **Short Notes (Write any Three)** (15)
- |  |  |
|--|--|
| <p><b>i</b> Marasmus – Abrotanum &amp; Nat.Mur.</p> <p><b>ii</b> Ankylosing Spondylitis – Aesculus &amp; Kalmia</p> <p><b>iii</b> Epilepsy – Cuprum Met &amp; Kali Brom.</p> | <p><b>iv</b> Encephalitis – Belladonna &amp; Tuberculinum</p> <p><b>v.</b> Pancreatitis – Conium &amp; Uranium nitrate</p> |
|--|--|
- Q.8** **Write an Indicated Remedy only.** (5)
- i. In Urine Hyaline cast with oedema on feet and ankle and scarcely able to walk.
  - ii. If I would move my Heart will stop.
  - iii. Convulsions from suppressed Menses.
  - iv. Eruption after Vaccination.
  - v. Vertigo in Addison's Diseases.

Fourth Year B.H.M.S. Examination  
Organon of Medicine  
Paper-I

Date : 24-01-2019, Thursday]

[Time : 3 Hours

[Max. Marks : 100

- Instructions : (1) Answer to the point.  
(2) Figure to the right indicates marks.

- c.) Which remedy is known as Muscular Tonic?
- d.) Dry Teasing Cough during chill stage of Fever is indication of which Medicine?
- e.) Name the remedy with suppurative process, after pus has found a vent.

0119E606(2)

SECTION – 2

Q.5. Describe in details the Constitution, Causation, Guiding Symptoms & Modalities of Conium Maculatum. ( 15 Marks )

OR

Q.5. Write Constitution, Mind, Physical Generals & Respiratory Complaints of Hepar Sulph. ( 15 Marks )

Q.6. Describe Characteristics of Calcarea Group and give full Drug Picture of Calcarea Carbonica. ( 15 Marks )

OR

Q.6. Describe Characteristics of Snake Poison Group and give full Drug Picture of Lachesis. ( 15 Marks )

Q.7. Write Short Notes : ( Any Three ) ( 15 Marks )

- a.) Causticum – Mind.
- b.) Baryta Carb. – Baby.
- c.) Equisetum – Urinary.
- d.) Hypericum – Injury.
- e.) Pulsatilla – Female Complaints.

Q.8. Write answer in Short. ( 05 Marks )

- a.) Leucorrhoea in gushes day & night – name the remedy.
  - b.) Ragged Philosopher – name the remedy.
  - c.) Which remedy affects the muco – cutaneous junction?
  - d.) Patient is constantly rubbing & shaking the region of Liver with his hand – name the remedy.
  - e.) No two stools are alike – name the remedy.
-

Fourth Year B.H.M.S. Examination  
Homoeopathic-Materia Medica  
Paper-II

Date : 29-01-2019, Tuesday]

[Max. Marks : 100

[Time : 3 Hours

- Instructions : (1) Answer to the point.  
(2) Figure to the right indicates marks.  
(3) Draw diagrams wherever necessary.  
(4) Write legibly.  
(5) Use separate answer books for each section.

SECTION – 1

Q.1. What is Nosode? Give indications of Nosodes & write Skin Symptoms of Psorinum. ( 15 Marks )

OR

Q.1. Write Respiratory Complaints of (a) Justicia Adhatoda (b) Rumex Crispus (c) Corallium Rubrum. ( 15 Marks )

Q.2. Write Group Symptoms of Acid Group. Give Constitution & Mind of Fluoric Acid. ( 15 Marks )

OR

Q.2. Compare Female Complains of Liliun Tig., Murex & Sepia. ( 15 Marks )

Q.3. Write Short Notes : ( Any Three ) ( 15 Marks )

- a.) Mezerium – Skin.  
b.) Cedron – Fever.  
c.) Capsicum – Respiratory.  
d.) Radium Brom – Extremeties.  
e.) Cicuta – Convulsions.

Q.4. Fill in the blanks. ( 05 Marks )

- a.) Common Name of Sabal Serrulata is \_\_\_\_\_ .  
b.) \_\_\_\_\_ is active principle of Cocculus.  
c.) Herpes Zoster vesicles with bluish appearance & intercostal neuralgia is there in \_\_\_\_\_ medicine.  
d.) Sarcodes are prepared from \_\_\_\_\_ .  
e.) \_\_\_\_\_ is another name for Lyssin.

0119E608-II

SECTION - 2

Q.5. Write about Medorrhinum under the headings of Constitution, Causation and Guiding Symptoms. ( 15 Marks )

OR

Q.5. Give indications of Female Complaints in (a) Sabina (b) Trillium Pendulum (c) Thlaspi Bursa Pastoris. ( 15 Marks )

Q.6. Write Sarsaparilla under the headings of Constitution, Urinary and Skin Complaints. ( 15 Marks )

OR

Q.6. Write about Mag Carb under the headings of Constitution, Causation, Guiding Symptoms & Modalities. ( 15 Marks )

Q.7. Write Short Notes : ( Any Three ) ( 15 Marks )

- a.) Pyrogen – Fever.
- b.) Lobelia Infata – Cholera.
- c.) Helonias – Female Complaints.
- d.) Bellis Per – Injury.
- e.) Crocus Sativa – Mind.

Q.8. Fill in the blanks. ( 05 Marks )

- a.) \_\_\_\_\_ is known as Vegetable Mercury.
  - b.) Raphanus Sativa is prepared from \_\_\_\_\_.
  - c.) \_\_\_\_\_ is common name of Crocus Sativa.
  - d.) Stannum Met expectoration is \_\_\_\_\_ in taste.
  - e.) Vasaka is another name of \_\_\_\_\_.
-
