The bus crew will get the incentive bonus if the income of a bus during a particular day on a particular route crosses the standard amount of collections. The standard amounts for all the routes are fixed by the administration on the basis of average income in the preceding year on the respective routes. The crew get one percent of the excess amount over and above the standard amount. The collections to the corporation increased phenomenally after the introduction of the scheme as the crew has been taking extra care in clearing all the passengers awaiting bus for their journey. Prior to this, the bus crew did not allow the passengers over and above the seating capacity. But they have been overloading the buses since 2016 and it is allowed by the corporation.</p> <p>The corporation has been running a bus from Ahmedabad to Mumbai. There was heavy traffic on this route on 13th July. The crew overloaded the bus to the tune of double the seating capacity (i.e., 54seating capacity and another 54 standing passengers). The conductor issued tickets and requested the passengers to buy tickets several times. He felt that all the passengers had bought the tickets and his job was completed.</p> <p>The ticket checking staff were camping at Surat, a mid-point between Ahmedabad and Mumbai. They stopped the bus at Surat and started checking the tickets. They found that all the passengers except an old lady sitting on the floor of a corner of the bus did not buy the ticket. They collected penalty from her and issued a ticket. Immediately they issued the suspension order to the conductor, despite his request and the requests of the passengers. The passengers told the checking staff that he had done his job sincerely and in good faith. The old lady also informed the checking staff that it was purely her mistake and she was suffering from fever and hence she could not buy the ticket. But the checking staff did not consider these requests.</p> <p>The conductor informed the Trade Union leaders at Ahmedabad about his suspension on phone. The Trade Union leaders met the Depot Manager, explained to him the incident and requested him to withdraw</p>	14
